Job Description

Job title	<i>Senior Legal Counsel (m/f)</i>
------------------	------------------------------------------

Job Description

GreenTec Capital GmbH is growing its business on the African continent and is looking for a Senior lawyer to accompany GreenTec on its way expanding forward. The focus of responsibilities will be to, on the one hand, structure the legal framework of GreenTec capitals operations and the development of the basis for a legal department; on the other hand, to perform daily tasks in supporting our operational team, as well as, supporting a range of contract negotiations and business activities in which GreenTec is involved. These are, for example, contract negotiations with our investees, investors, partner organizations, but can also include providing legal assessments of risk that certain business development activities may have, or, providing legal support to some of our investees. GreenTec Capital's main entity is located in Germany (GmbH) with a subsidiary in Mauritius (more to come), as well as, local offices in Lagos (Nigeria) and Addis Ababa (Ethiopia).

Duties and responsibilities

- Analysis of the existing legal framework of GreenTec Capital and its subsidiaries
- Development of a scalable framework to further increase GreenTec's activities in Africa
- Negotiation of agreements and contracts with different kinds of partners – in Germany as well as in other European countries and in Africa
- Collaboration with external legal counsel if needed (we expect to cover topics in-house as long as possible)
- Advising Senior Management and operational team on legal topics in day-to-day business
- Support our investees in certain legal aspects

Qualifications & Experience

- Academic background, law degree
- 5+ years' job experience, preferably more and also in foreign countries
- Business attitude: We need a lawyer who develops solutions with us, not just highlighting the risks
- Investment Fund industry or M&A experience (in Emerging Markets) is a strong positive
- Advanced Communication skills
- Fluent German and Business English (nice to have: French)
- Highly developed interpersonal and communication skills: customer focused with excellent negotiation, mediation, and diplomatic skills; experience acting as an advocate for inclusive businesses. Ability to define, articulate, and contribute to business development strategies
- Proven cultural sensitivity in order to fit within a multinational project team
- Experience in projects with social businesses or development aspects is very welcome
- Operationally oriented (hands-on) personality

Working conditions

We are looking for a full-time employee based in Frankfurt-am-Main. Willingness to travel, including to Africa, on several occasions is expected. You will report directly to Senior Management, Fixed remuneration depending on commitment and qualification + bonus possible.

About GreenTec Capital Partners

GreenTec Capital Partners are long-term investors that join forces with start-ups from the proof-of-concept stage onwards. Hereby we target start-ups with sustainable business models to create accessible investment opportunities with economic, social, and/or environmental impact in Africa. Our team of experts join the operational team of each start-up and focus on improving the respective operational activities to foster the chance of a sustainable success.

We fund and/or facilitate access to adequate funding opportunities that fit to each start-up's individual stage of evolution (development / expansion / growth). Instead of straining their cash positions, we favor "work for equity" deals to build up a dynamic portfolio and create economic value for our partners.
