### Problems

Mr. Baiden runs two shops in Accra

- ❖ Pharmacy
- ❖ Clothing shop

Tedious bookkeeping & stock management practice

### Working with local retailers in Ghana

“Sumundi's Keepsales allowed me to optimize my time and productivity when managing multiple businesses at the same time. Digitizing my operations mitigated unnecessary losses arising from inventory tracking or bookkeeping mistakes. Broadly, **Sumundi helped me understand my business better and increase accountability in the store. I now feel more confident making business decisions**” – Mr Baiden

### KEEPSALES

- Manage your inventory
- Track your sales

### CLIQRUN

- Access a delivery fleet
- Deliver to your customers

### How small shops benefit from using Sumundi:

#### Time saving

- ✓ Reduction of monthly stock management from 6 days to 1
- ✓ Reduction of daily audit from 2 hours to few minutes
- ✓ Faster customer invoicing
- ✓ Increased deliveries capacity

#### Cost saving

- ✓ Savings on bike purchases, maintenance, insurance, driver and fuel costs
- ✓ Savings from mitigation of inventory losses and products expiration

#### Sales boosting

- ✓ Improved margins as a result of mitigating financial loss due to sales visualization
- ✓ Sales growth resulting from value added delivery option offered to customers
